ISLA Annual Ops & Tech Summit 2026

Delegate List: 9 November 2026

Please see below the delegate list to date for the upcoming ISLA Annual Ops & Tech Summit 2026.

Please Note:

- The list has been populated as of 9 November 2026 and will be updated regularly in the lead up to the conference.
- Please note that the 'Business Functions' category has been assigned by delegates upon registration. Any missing functions upon registering would have been automatically assigned to the closest category wherever possible which may result in some discrepancies.
- We have a small number of delegates, who have opted not to appear on the participants list. If you do not see your name and would like to be included or if you would like your name to be removed from this list, please send an email to **events@islagroup.org**.
